

## PREMIUM WORKSHEET

This worksheet will help you calculate how much premium is needed to insure your drycleaning facility. Premiums are paid annually, on a “per drycleaning facility” basis.

If for some reason your insurance application is rejected, your premium will be refunded in full.

### Premium Structure:

July 1, 2010 to June 30, 2011

\$1,100 per facility (actuarially based)

Amount of premium you are remitting with this application      \$ \_\_\_\_\_
